Venue Opening Hour	The changerooms will open for performers one hour before the first dance every day. The seated theatre will open 30 minutes before the first dance of the day. Please do not arrive early because we don’t have the access to the venue earlier than one hour before the first dance and you’ll be stuck waiting outside.

Does Allegro have a finals/showdown?	No, our vision has been to create a festival style event with less emphasis on “competition” and more emphasis on education. There is no further showdown/finals at the end of the event. There are adjudicator workshops/masterclasses and an educational series that wraps the event but dancers do not need to return for any kind of “finals.”
Top Twelve Awards	The Top Twelve Results will be posted to social media as soon as they are available so that dancers know if they have made the list and can return to accept their award if they are available. Emerging Artist Division: Awards presented at outlined times in program Foundations and Festival Divisions: Virtual Link, Awards passed to teachers to distribute at your studio, there is no need to come back.
